

DAISY & ENDOTECH PRODUCTS

Forex

Profitability

Strategy

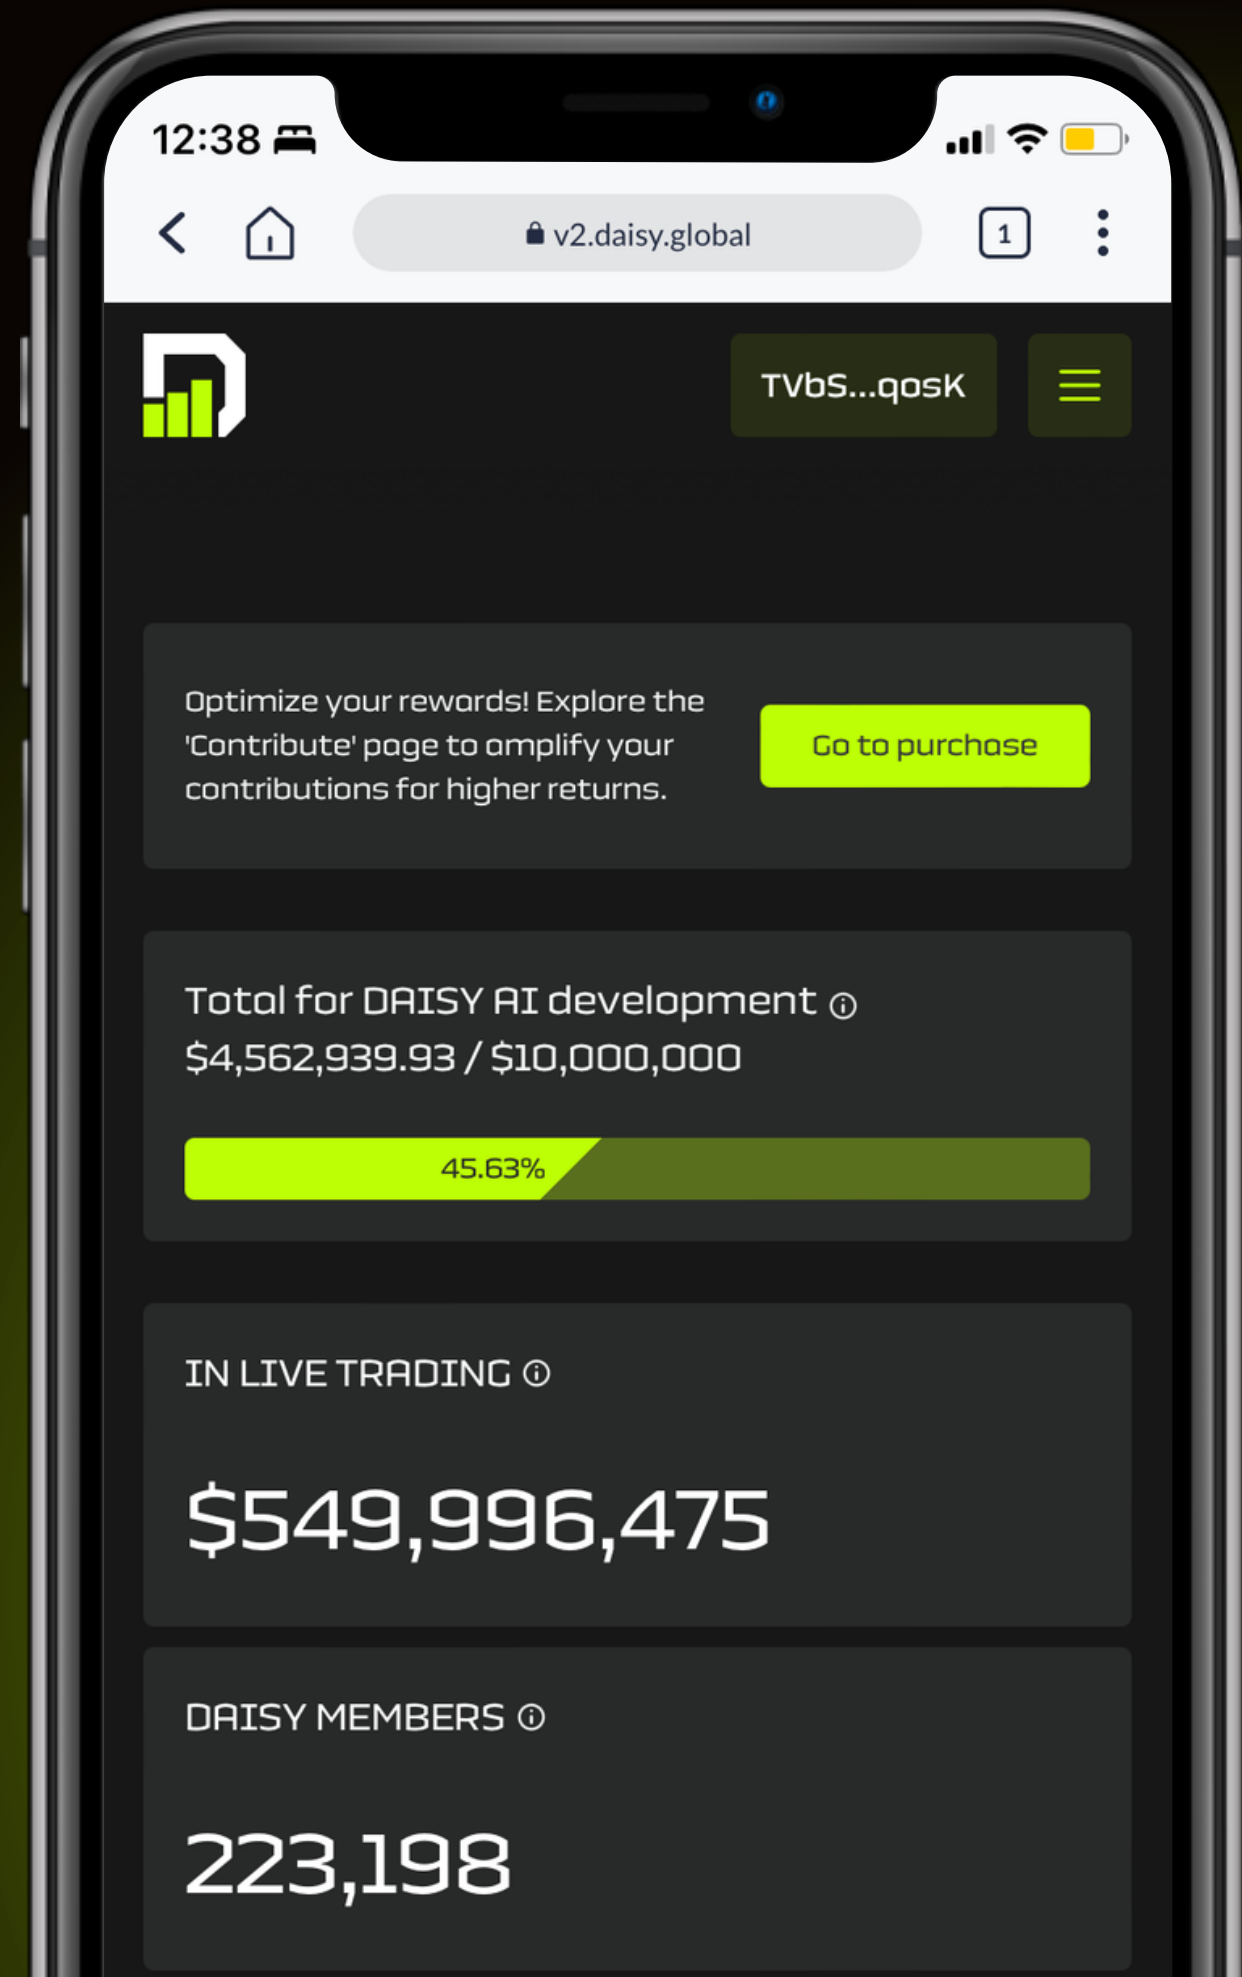

DAISY

— is a business model, designed to attract, manage and distribute funds, which are aimed at developing and testing **EndoTech's trading strategies.**

These strategies leverage a blend of expertise from **professional traders** and **artificial intelligence**, with the goal of enhancing profitability in Forex market trading.

clickable

ENDOTECH — LEADER OF ALGO TRADING

Established in **2012**, EndoTech is a pioneering company that offers cloud software specializing in automated trading driven by **artificial intelligence**.

Under the management of **Anna Becker**, a team of professional specialists, analysts, scientists and developers is constantly developing and improving artificial intelligence algorithms and trading indicators.

clickable

DAISY PRODUCTS

Upon acquiring DAISY packages, funds are **transferred** to an automated system for management, control, and distribution.

Subsequently, these funds are **redistributed** to activities such as trading, crowdfunding, and the referral program.

The distribution ratio depends on the **selected package**.

FOREX PACKAGES

HOW TO **BUY** DAISY TIERS?

In only **15 minutes** you can join
DAISY and **test** this new unique
model!

4 SIMPLE STEPS

01 / Create a TronLink Wallet

02 / Top up your wallet

03 / Register with DAISY

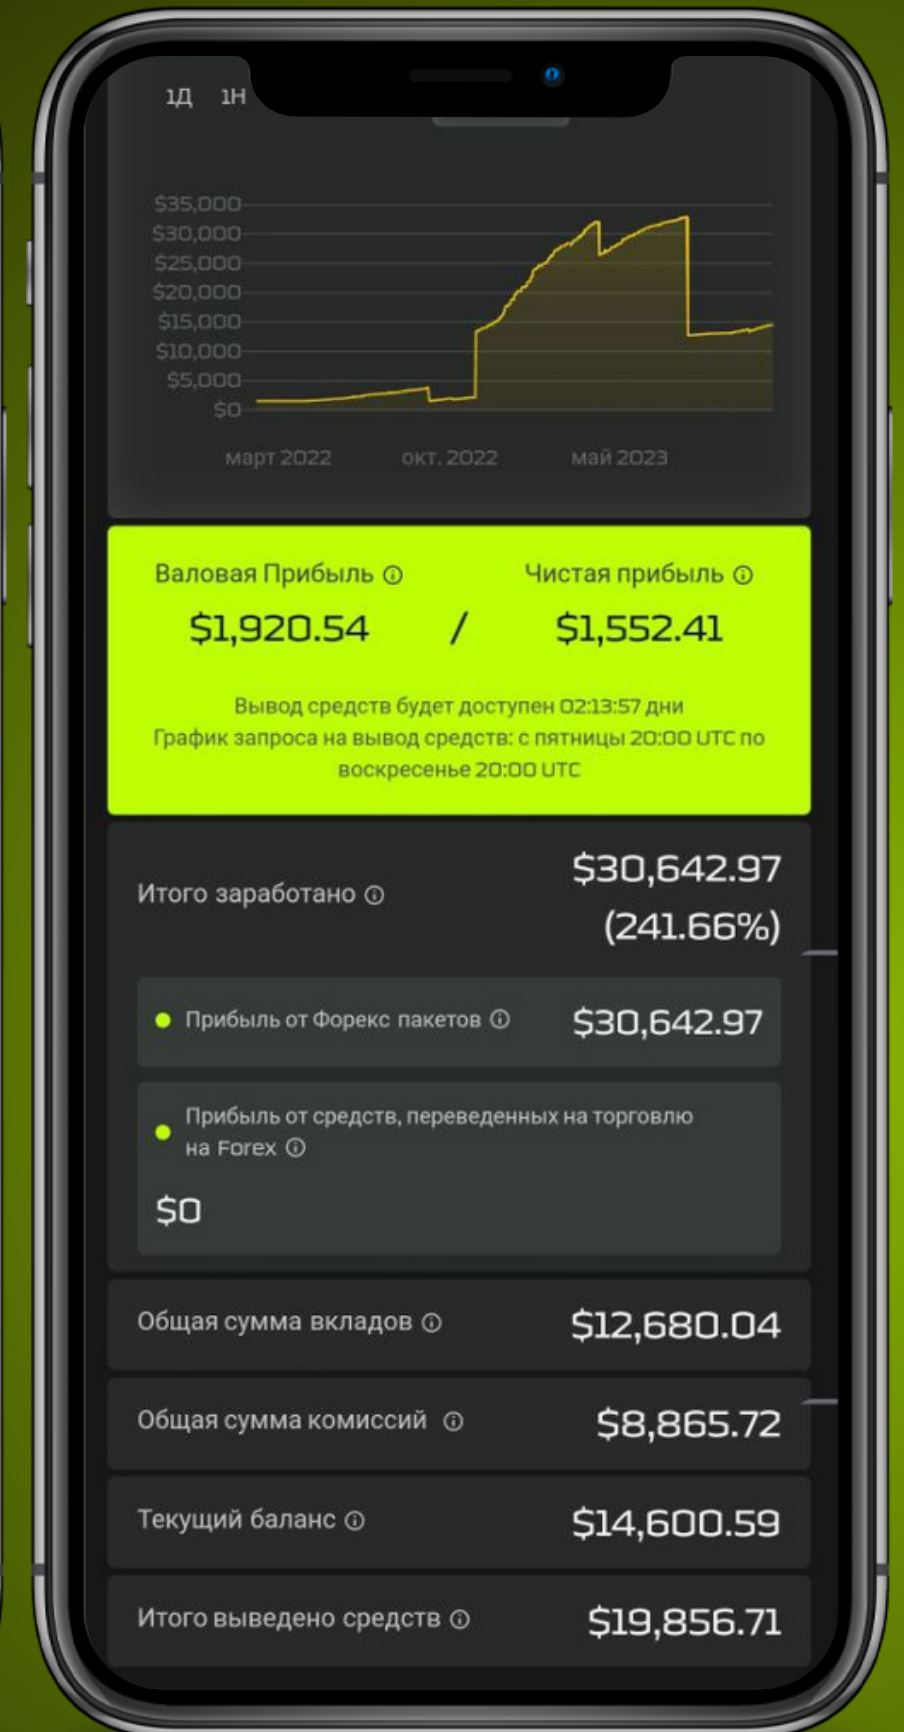

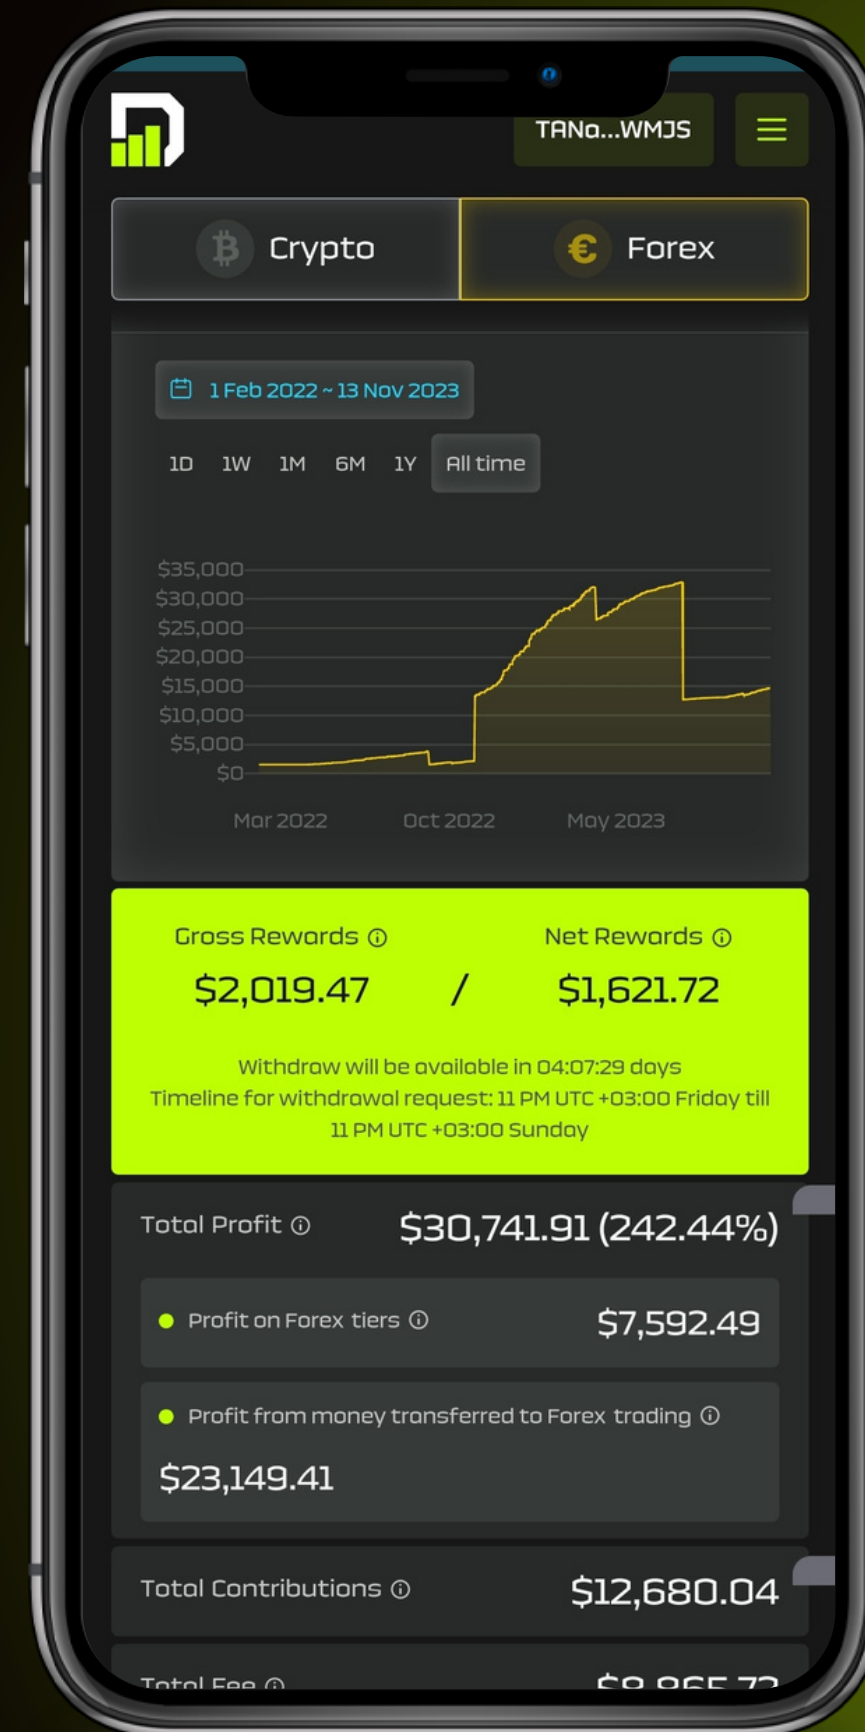

04 / Buy the required number of Tiers

HOW TO TRACK PROFITABILITY?

Profitability of your DAISY account

In the section
User Profile > Forex
you see data on:

- / History of your balance
- / Amount of funds contributed
- / Current balance
- / Total profit
- / Profit available for withdrawal

DAISY's total result

In the section
Dashboard > Forex
data on:

- / Amount contributed
- / Current balance
- / Total profit
- / Amount of profit withdrawn by members

In the "**Performance Report**" section, you can find data on DAISY's total profit and loss, the annual report, the largest losses and profits for the day, and much more.

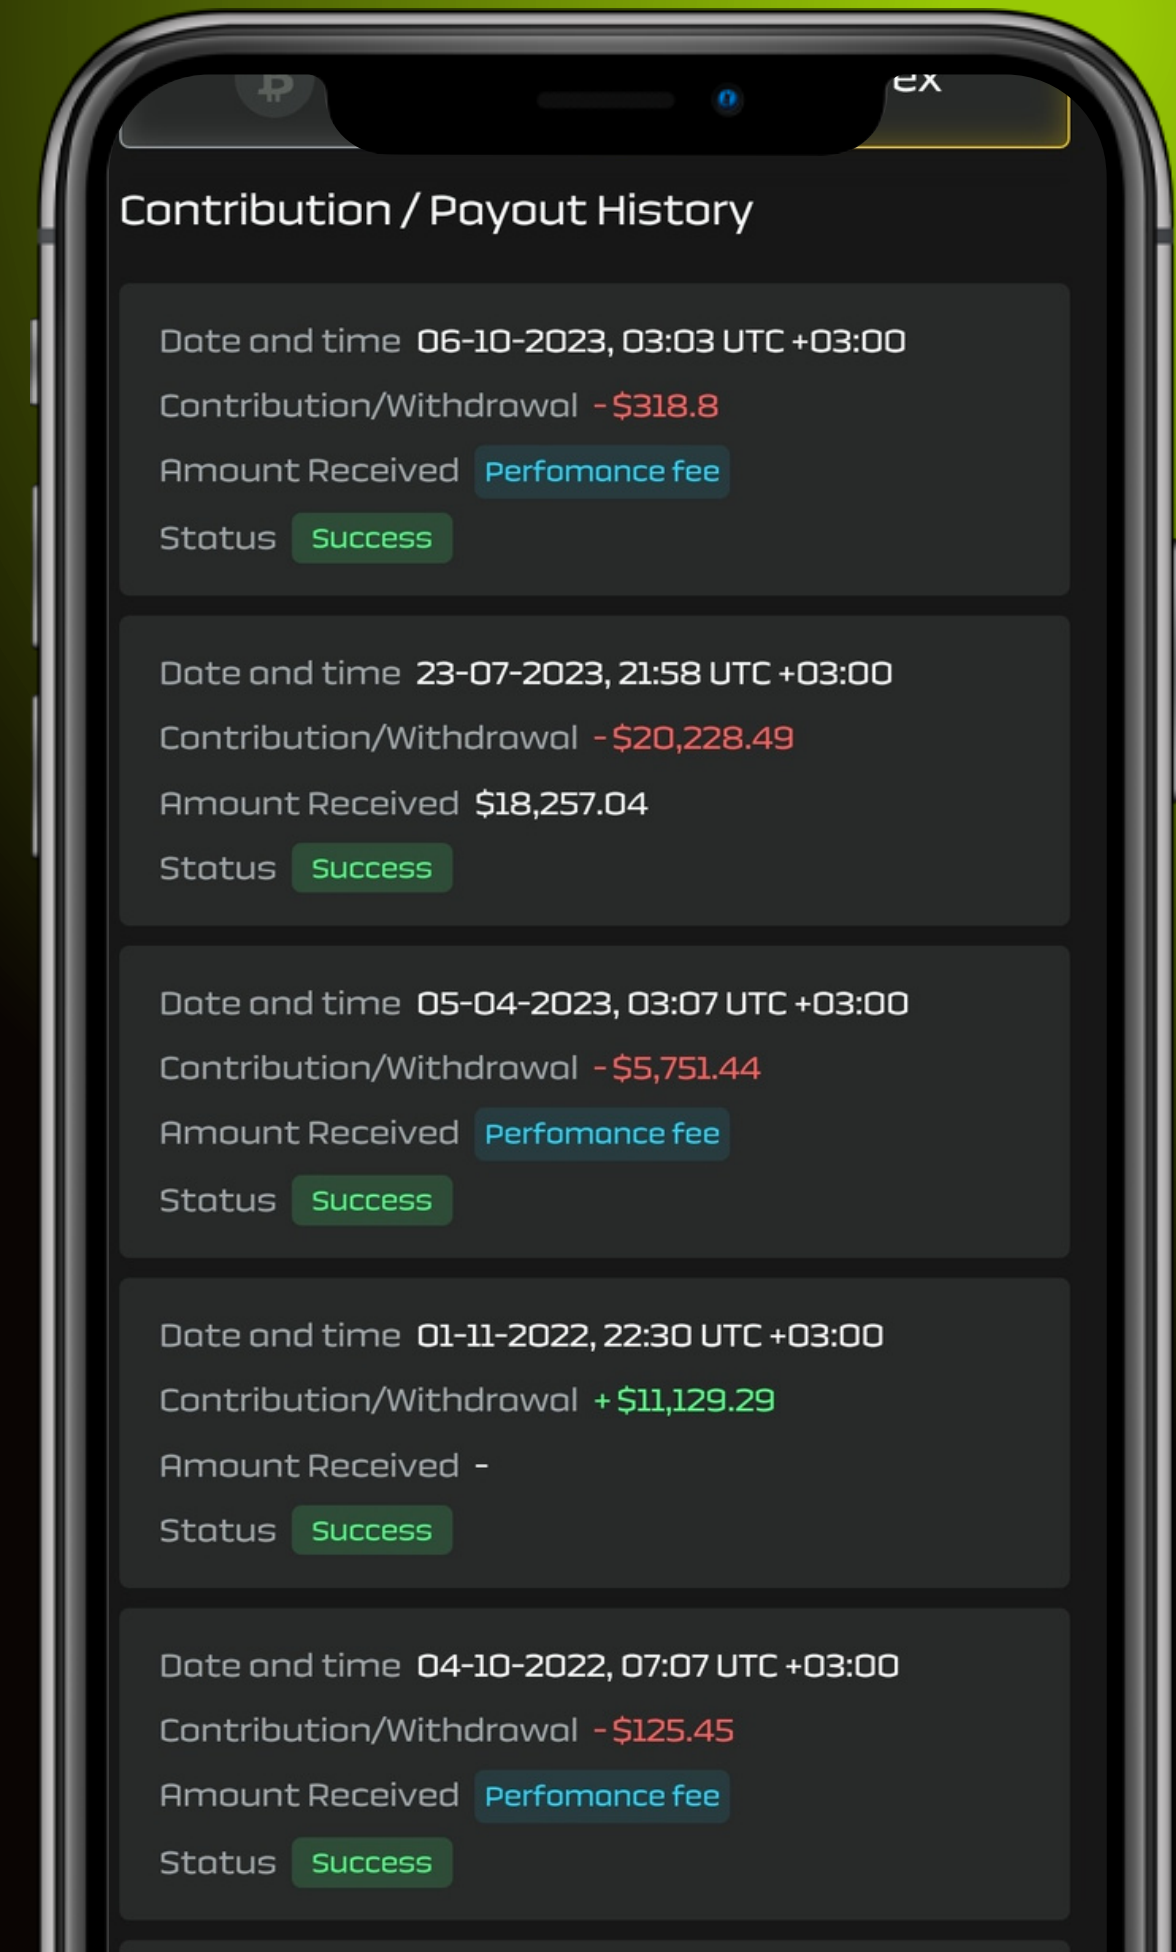

HOW DO WITHDRAWALS WORK?

It is made in strict accordance with the **smart contract** in one click. You just need to send a withdrawal request and the money will be credited to your TronLink wallet.

When withdrawing funds, a **30% commission** is charged, and the remaining 70% goes to the TronLink personal wallet.

*15% to the referral plan
15% to EndoTech as performance fee*

REQUEST FOR PROFIT WITHDRAWAL

FOREX — Saturday and Sunday

RECEIPT OF FUNDS

FOREX — until Monday evening

The minimum withdrawal amount — **\$100**

Internal blockchain commission — **\$10**

THE "COMPOUND" STRATEGY

The essence of the strategy

/ Profit is **not withdrawn**, but continues to be traded on the Forex markets

/ Initial funds **plus** accumulated profit are traded

/ Profit is **compounded** automatically

Advantages of the strategy

/ Efficient use of time and capital increase in the **long term**

/ Diversification and expansion of the portfolio to **reduce risks** and increase profitability

/ Increase of the trading balance **without additional contributions** through accumulated profits
